

California Eye Specialists Spectacle Protection Plan

The Doctors and Staff at California Eye Specialists believe in customer satisfaction. That is why we offer two attractive Peace of Mind Protection Plans with all eyewear purchases:

PEACE OF MIND PROTECTION PLAN-ONE
30-Day Unconditional Free Replacement Guarantee:
(Included with every eyewear purchase)

For 30 days from the original date of dispensing, you may return your eyewear for any reason and we will adjust, repair, or replace your frame or lenses with a pair of equal value at no cost to you. If you do not adapt to Progressive Lenses, we will switch you into either Single Vision or Bifocal lenses at no additional charge. Since your eyewear is custom fabricated to your specific prescription needs, refunds are not part of our Unconditional 30-Day Replacement Guarantee program.

PEACE OF MIND PROTECTION PLAN-TWO
12-Month Repair or Replacement at 50% off the retail price.
(Only \$25.00 which can be used toward your next full pair purchase when unused)

Not to be combined with any other discount program.

If you break or damage your frame or lenses, you may purchase a replacement at 50% off the retail price noted on your receipt in the first column. Simply return your damaged eyewear to any California Eye Specialists Optical Boutique for repair or replacement at your convenience.

- The 12-month Protection Plan begins on the date your glasses are originally dispensed.
- If the same frame or parts are unavailable, a replacement frame of equal value may be purchased under the PMP Plan.
- PMP Plan is not applicable to nonprescription sunglasses.
- CES assumes no responsibility for breakage during disassembly and insertion of new lenses on any frame not purchased from our optical boutique.
